

## LEAD NEW MEXICO

### TASK CARD THREE

#### **Originals: How Non-conformists Move the World** *by Adam Grant*

- Read Chapter 8 pgs. 215 - 223.
- In "Don't Stop Believing" consider the concepts of fear, excitement and encouragement. Can you see yourself as a helper to overcome fear rather than an encourager? How?
- In "Outsourcing Inspiration" consider how a leader can delegate certain responsibilities for a different outcome.

#### **The Infinite Game** *by Simon Sinek*

- Please read pgs. 127 - 130 - "How to Train a Leader"
- When you think of teachers as leaders in their classrooms, how can administrators support the teacher's growth as a leader?

#### **Leadership Case Studies in Education** *by Peter Northouse & Marie Lee*

- Read chapter 5 "Situational Approach" pgs. 33-36.
- As you read the case study "A Case of Two Teams", reflect on your own experiences or those of fellow educators. As you consider the responses to the questions on pg. 36, which of the two leaders do you feel you have encountered in your life?
- Whose attributes would you like to adapt to your own practice, and why?
