

TASK CARD THREE

Originals

by Adam Grant

Adam Grant has his own definition of originality: "Introducing and advancing an idea that's relatively unusual within a particular domain, and that has the potential to improve it."

- What is your personal definition of what it means to be "original"? (pg. 3)

The Infinite Game

by Simon Sinek

Looking at *The Infinite Game*:

1. You have to have a just cause
2. You have to have courageous leadership
3. You have to have trusting teams
4. You have to have a worthy rival
5. You have to have a flexible playbook

Do you "have" or how can you achieve points 1-5?
