

NEW MEXICO THRIVE

THE INFINITE GAME

by Simon Sinek

- Looking at The Infinite Game:
 1. You have to have a just cause
 2. You have to have courageous leadership
 3. You have to have trusting teams
 4. You have to have a worthy rival
 5. You have to have a flexible playbook.
- Do you “have” or how can you achieve the points 1-5?

RISING STRONG

by Brene Brown

- Read chapter 1: “The Physics of Vulnerability” pgs. 3-11
- After the reading return to pgs. 7-8 and reflect on passage #6. “Rising Strong is the same process whether you're navigating personal or professional struggles...Just because you're staying in your office or your classroom or your studio does not mean that you can take the emotion out of this process.”

NEW MEXICO THRIVE

- How do you feel about expressing emotion in public or professional settings? When is it ok, or not?
- How do you cope with situations that may be emotional?
- Then consider on p.10 "Courage is contagious. Rising Strong changes not just you, but also the people around you." Can you recall a situation when you were inspired by someone - or you inspired somebody?

MINDSET

by Carol Dweck

- In Chapter 7, read pgs. 176 - 191
- Reflect on the scenarios where parents exposed children to fixed or growth mindsets.
- How can educators help students have a growth mindset in similar situations?
